

BENT TREE SADDLE CLUB NEWSLETTER

MARCH 2022

PRESIDENT'S CORNER

The Horse Park incurred damage to the roof of the Pavilion which was repaired by Bent Tree. I thank the work crew who came out and repaired the roof. A tree also fell just missing the horse statues, but hit the end of the arena. The same crew came out, cleared away the tree, and cut another tree down that threatened the statues.

I especially want to thank Leslie and Bruce Elliott for volunteering to repair the fence damage. We need to order four parts and the fence will be as good as new.

I also want to thank JoAnn Hartin for volunteering to take charge of the Dawson Forest Ride. She was the ONLY person who answered my call to lead one of our upcoming activities. This is what I mean by stepping up and volunteering to help with club activities and work to keep our horse park in good repair and looking beautiful.

It's the end of February and Spring is just around the corner when The Saddle Club activities will be gearing up. On February 26, we have a work day to get the horse park in shape for the summer. Along with the repairs mentioned above, the horse park needs to be cleaned up. There is a lot of debris on the ground from the wind storms. Please meet at the horse park on February 26, at 9:30 a.m. ready to work. We need you to bring your tools: saws, rakes, hoes, clippers etc., which will be needed to get the horse park back in good shape. When the work is completed, we will adjourn to the 19th Hole for Pizza and the satisfaction of a job well done.

FUNDRAISER FOR TRAILS

Juni Fisher in Concert Fundraiser for Trails. Sunday April 24, 2022

Some of our long-term members may remember Juni Fisher, Western Singer/Songwriter/Storyteller/Horse Woman, from the 2014 BTSC kick-off Party. Thanks to the Chattahoochee Trail Horse Association Juni will be at Dawsonville's Bowen Center for the Arts on Sunday, April 24th at 1 pm. Proceeds from the concert will benefit public horse trails in North Georgia. CTHA is hopeful that the concert will generate \$4,000 to be used for the trails at Garland Mountain Horse & Hike Trails, Don Carter State Park, Watson Mill Bridge State Park, and A.H. Stephens State Park.

Juni is excited about coming back to the north Georgia area and we're excited to have her perform at the Bowen. The cost per person is \$25. Payment via PayPal can be made online at www.BowenArts.org/Events or write a check to: CTHA, c/o Bowen Center for the Arts, P.O. Box 849, Dawsonville, GA 30534. Those of you who have been to the Bowen know that seating is limited, so make your reservation now. Support our horse trails while enjoying some great entertainment.

Several raffles will take place to raise money for the BTSC including a raffle for a beautiful horse picture donated by Keeve Krasner, 4 tickets to the Booth Museum and 4 tickets to the Savoy Auto Museum, in Cartersville, donated by Lee Berger. Another raffle, a 50-50, run by Bob Crowl will also be held. The cost of each raffle is \$5.00 per raffle ticket. Bring money!

The menu will be as follows: caesar salad, pork loin and salmon, roasted potatoes, seasonal vegetables, and cheese cakes.

PETE DILLINGHAM - MAY 14th, 2022

Our renowned trainer, Pete Dillingham, has agreed to give a 2-day clinic at the BTSC Horse Park May14-15. He is also willing to arrange for private lessons for \$75 an hour on the following Monday, May 16th.

Bringing You and Your Horse Together is a potpourri of arena games and exercises (ground tying, respect my space, and circling game.) This 2-day clinic is aimed at developing manners (in and out of the saddle) and a loving communication between you and your horse. "Equal size, a rose between two thorns and the rope climb" are just a few of the entertaining challenges that develop more balanced riders, polite steeds, and most of all...a close relationship with your horse. This fast-paced, fun and informative event can be the "springboard" to Natural Horsemanship concepts/techniques and many wonderful memories. Our workshop is limited to 3-4 participants. There is 6-7 hours of instruction and we'll have a bring your own lunch break, and no one will have to be rocked to sleep at night.

This clinic is available to you at a cost of \$250 for the 2-day clinic. A \$125.00 deposit is required to hold your place for the clinic. If you wish to participate in this seminar, please send a check to me made payable to Pete Dillingham. Four participants, but not more than four, are required to confirm this clinic so first come first serve. Spectators are welcome. Contact me to sign up.

Email wolferjudie@gmail.com or call 404-226-0287.

FAUSETT FARM RIDE

On April 2nd, 2022, we will have our 1st Trailering Event to Fausett Farms Sunflower and Riding Trails. A tailgate style lunch will be served from 12-1 pm in the parking area on the lake (or high) side. Lunch will include: a choice of sandwiches, chips, bottled water and a cookie

for \$5.00 (payable that day to BTSC). This will be a ride-on-your-own event, so come ride as you wish before and/or after lunch or just come join the group for social time during lunch. Don't forget to bring a chair!

There is a \$10 trail fee for those members who ride and do not have an annual pass. This is payable in the parking lot when you arrive.

RSVP to Ronda Erway (rerrerway@gmail.com or text 402-540-3338) by March 25th, 2022 to ensure there will be enough food for all those who wish to attend.

- Ronda & Randy Erway

TOP OF THE WORLD RIDE

Spring will be here soon so let's ride! For those of you who have been on the "Top of the World" ride you can back me up when I say it is one of the most beautiful and non strenuous rides that we have locally.

March 19th is when we will depart from the Horse Park at 10:30. We can pick up riders along the way if you are on the route which will head out of Bent Tree in back of the Erways' farm and then proceed down Soquili Trail into Hickory Cove. Let me know at least 2 days ahead of time if you will need access into the back gate of Bent Tree to get to the Horse Park. The gate will be opened 30 minutes prior to the ride departure. Bring a lunch and something to tie your horse with. We should be back to the Horse Park around 2:30.

PLAY DATE

Our first play date is Wednesday, March 9 at 10 a.m. Hopefully the weather will cooperate and the sun will be shining! Even though I have been given the task of "leading" this event, I am going to put some things in the arena for us to use, and I hope you will put on your thinking caps for what you want to do as well. I have a few games in mind but remember, this is strictly for fun! We might even have a few drill team moves to practice! I hope to see you on March 9, and please pray for sunshine!!

SENIOR HORSE CARE

Senior horses, in their mid-teens and older, can continue to live healthy, productive lives if given the special care they need. Per Barb Crabbe, DVM, Horse&Rider magazine's consulting veterinarian she recommends the following for senior horses:

- **Keep him moving** - As with humans, exercise benefits an aging horse in multiple ways, including keeping muscles strong and joints operative. Full-time turnout is ideal. Stay aware of your own senior horse's changing capabilities and energy levels as you continue to ride him.
- **Mind those teeth** - Tooth problems can contribute to malnutrition, weight loss, and colic. Periodontal disease is also a hazard as horses age. Schedule once- or twice-a-year checks by an equine dentist or veterinarian, and watch for trouble signs: difficulty chewing, dropping food, a bad smell from the mouth.
- **Feed with care** - The simplest way to achieve good nutrition for your older horse is by providing feed specifically formulated for senior horses. Feed, such as grain or pellets, in addition to forage (grass or hay). If the horse has severe dental problems, use the product and moisten with water as necessary.
- **Get him vet-checked** - Your vet can watch for conditions and diseases common to older horses including digestive difficulties, Cushing's disease, insulin resistance, melanomas, and kidney or liver problems. Schedule vet visits once or twice a year.
- **Watch for vulnerabilities** - Older horses have decreased reserves and increased susceptibility to serious infections and colic caused by dehydration or impaction. They're also more attractive to biting insects, and may be more sensitive to temperature extremes. Watch for signs of illness, and act promptly; provide adequate pest protection; and make sure your oldster has accessible shelter.
- **Groom him** - A daily grooming promotes circulation, helps head off skin problems, and enables you to catch the start of small troubles before they become problematic. Especially during the winter, run your hand over your senior horse's barrel regularly to check for ribbiness that might not show under a long haircoat.

One of the reasons for the founding of the Bent Tree Saddle Club was to support the Bent Tree Stables. For this reason, I am requesting that all who can do so be at the Bent Tree Stables on **March 26**, at 9:30 a.m. (or April 9, which is the rain date) to help with needed work at the barn and on the trails. Once again, please bring tools, etc. I have ridden the trails frequently and can testify that they really need some work done.
